6. [REDACTED] BRIEFING Called Bruce Van Voorst, office of Senator Dick Clark (D., Iowa), on referral from [REDACTED] CSS, on Senator Clark's interest in meeting with Sid Graybeal, D/OSR, to learn the functioning of the Standing Consultative Committee. In response to my query, Van Voorst said he had not been in touch with ACDA and I said that this topic doesn't fall within the Agency's competence and it would be preferable for the Senator to receive such a briefing from ACDA or State, but if they were still interested in speaking directly with Graybeal, it would be in a personal capacity, not as a representative of the Agency. Van Voorst said he understood this completely, but said that because of his high regard for Graybeal, he wants to make sure that Senator Clark obtains the advantage of insights from his previous service as a Commissioner. The session is scheduled for 2:00 p.m. on Friday, 26 May 1977.

7. [REDACTED] LEGISLATION Called Dick Shultz, Counsel, Senate Judiciary Committee, who confirmed that the hearing yesterday was a hearing of the full Committee and that he thought there would be no problem in accepting the amendment proposed by Deputy Assistant Attorney General Richard L. Keuch in the reported out bill on S. 1096, and if there is, he will get in touch with us.

10. [REDACTED] LIAISON Received a telephone call from Robert B. Boettcher, Staff Director, Subcommittee on International Organizations, House International Relations Committee, who wanted to come to the building this afternoon to review the results of trace requests submitted earlier. I told him I would have to check back to see if the information would be ready for him and I did this with SA/DO/O, where I was informed the information would not be ready until 26 May. I called Boettcher back and advised him of this, indicating he could review the files as early as 26 May if this would be convenient for him. Boettcher advised me that he and Mike Hershman, Deputy Staff Director of the Subcommittee, were going out of town the following day and would be away for the rest of the week. We agreed that he would call me later in the day to set up a date for one day next week.

13. [] LIAISON Received a telephone call from Michael J. Hershman, Deputy Staff Director, Subcommittee on International Organizations, House International Relations Committee, who informed me that he and Robert Boettcher, Staff Director, would be coming to the building on 31 May at 9:30 a.m. to review the results of earlier trace requests. I concurred in this and told Hershman that I would also attempt to expedite a request for information received on 24 May so that, if practicable, it would also be ready for review on 31 May. Hershman thanked me.

14. [] LIAISON Telephoned John W. Niels, House Committee on Standards of Official Conduct staff, to advise him that the background investigation material on three Committee staffers was out of date for use in current clearances. He took down the facts and then asked me the status of his own clearance. I told him that our advice from the FBI is that the Committee has not yet agreed to a Memorandum of Understanding on clearance procedures, etc., with the FBI. He then told me that he had been informed that he has a clearance through Top Secret with the Department of Defense and he would like this to be used in granting a clearance for access to CIA material. I said I would look into the matter promptly and advise him. He had somewhat testily said that if this did not work, he "intended to raise hell." I did not respond.

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 25 May 1977

STAT

[REDACTED] LIAISON After several unsuccessful efforts to reach Representative Ronald Dellums (D., Calif.) or senior staff members of his staff, I left a message with his personal secretary that I was most anxious to talk to the Congressman about the recent publicity involving NPIC staff members teaching at Ballou High School. Later in the day, John Apperson, Administrative Assistant to the Congressman, returned my call and I informed him that I had discussed the Congressman's interest in this matter with Mr. Knoche, DDCI, and that we were most anxious for the Congressman to talk with senior representatives of NPIC to obtain the full story on the participation of NPIC staffers in certain teaching programs at Ballou. Apperson said he would pass this message on to the Congressman. (I had also left a message with the Congressman at the House Armed Services Committee meeting where General Singlaub was testifying.)
